# PRESIDENT'S THOUGHTS

by Brian Rich  
Illinois PHCC President

## *Greetings Everyone,*

Spring has come and gone and now onto the heat of summer. As the temperature heats up so do many of our schedules. As I've said before, one thing I try to fit into my schedule are quick weekend getaways. We enjoyed spending Father's Day up north at the cabin this year and plan to return for the 4th of July. Getting away gives me the opportunity to spend quality time with my family and get refreshed and refocused on the business upon my return. Quick family update: Garrett started his first classes at DePaul. Jacob is modifying a bow fishing boat. Amanda just finished her second year at Mizzou and our granddaughter Rachel is more beautiful than ever.

There is so much to look forward to in the industry this year. PHCC Connect will be held "IN PERSON" in Kansas City October 19th to the 22nd. The two keynote speakers sound amazing. The topic for Thursday's keynote address is "Positive Leaders Drive Positive Results". As one of the leaders here at G.A. Rich I am always striving to bring positive energy and build a positive culture. I have heard Friday's speaker Connor Lokar before and his take on the economy is unique and educational. That hour will certainly fly by. My sister Tammy will be on a panel that will be discussing what companies did well during the pandemic and what they have done to be prepared for the next emergency. If you register for Connect by September 22nd you will receive \$100 off your registration. Hope to see you there!

One week later everyone is welcome to join us at the IL PHCC Expo and Educational Day South, which will be held on Friday, October 29th at the Gateway Center in Collinsville. Save the Date!

Online Continuing Education Class dates can be found in the magazine. Get a jump start on your 2021/2022 renewal by taking one of the 6 scheduled classes. Don't be left out!

This month's issue of the Illinois Master Plumber Magazine is the Annual Membership Directory. The directory contains pertinent information on all PHCC contractor members, (including type of business), all auxiliary members, all associate members, all plumbing inspector members as well as all local association information. This issue is great to keep handy at your desk all year. Not a member? There's no better time to join than now. Members receive many benefits like Safety & Risk Management Tools, Workforce Development, Savings & Discounts and my favorite, Advocacy at the state and national level.

One of my favorite things about working in a family business is being around my family. My father has instilled in me many things, but one of the best things is reading books to improve myself and our business. Over Father's Day weekend my father and I enjoyed quality time on the porch reading books. My father is currently reading *Keep Sharp, Build a Better Brain at Any Age* and I am reading, *Time Really is Money*. Both books are beneficial whether you are running a business or taking control of your life. I challenge each and every one of you to pick up a book today.

*"Reading is to the mind what exercise is to the body"*  
– Richard Steele

**Brian**

# 2021-22 ILLINOIS PHCC CEU SCHEDULE

---

Below is our current schedule of continuing education classes for Illinois licensed plumbers. As classes are added, they will be posted on our website at [www.ilphcc.com](http://www.ilphcc.com). Please visit the website often for the latest information and to register for a class. **Registration links will be live at least 6 weeks prior to the class date.** All Illinois PHCC classes also provide State hours for Certified Plumbing Inspectors.

## 2021-2022 Continuing Education Dates

**September 24, 2021** - 12:00 pm - 4:00 pm (Online)

**October 8, 2021** - 12:00 pm - 4:00 pm (Online)

**October 29, 2021** – 9:00 am – 1:00 pm -

Gateway Center, Collinsville, IL

**November 13, 2021**- 8:00 am - 12:00 pm (Online)

**January 7, 2022** - 12:00 pm - 4:00 pm (Online)

**February 19, 2022** - 8:00 am - 12:00 pm (Online)

**March 18, 2022** – 9:00 am – 1:00 pm -

Drury Lane Conference Center, Oakbrook Terrace, IL

**April 22, 2022** - 12:00 pm-4:00 pm (Online)

**Registration information is at [www.ilphcc.com](http://www.ilphcc.com).**

Click the link for the class you would like to attend.

Registration links will be live at least 6 weeks prior to the class date.

# PLUMBING CONTRACTOR REGISTRATION RENEWAL TIME

All plumbing contractors registered with the Illinois Department of Public Health should be receiving a renewal form next month. Even though you may be renewing online, you must still fax or email the insurance and bonds. Only send those documents by ONE of these methods. Do **NOT** email and then follow up with a fax. This only causes confusion and delays the process. IDPH highly **recommends emailing**, rather than faxing.

Please make sure you look at all the materials carefully and submit your renewal as soon as possible - **DON'T DELAY**. Your registration is **NOT** considered renewed until full payment and your renewal documents (i.e. Surety Bond, Certificate of Insurance) are received. **All of these items MUST be received on or before September 30<sup>th</sup> to avoid late penalty.**

Questions on renewals may be directed to the IDPH Plumbing & Water Quality Program at 217-524-0791 or to [dph.plumbing@illinois.gov](mailto:dph.plumbing@illinois.gov).

## FREE ADS FOR PHCC MEMBERS

Did you know that as a member service, Illinois PHCC members can place up to two free classified ads per year in the Illinois Master Plumber magazine? The ads can be up to two column inches in size and can be used to advertise employment opportunities or industry items for sale.

Contact the Illinois PHCC office to take advantage of this opportunity to get rid of that excess inventory or unused tools and equipment. You can email Bev ([bev@ilphcc.com](mailto:bev@ilphcc.com)) or Shelly ([shelly@ilphcc.com](mailto:shelly@ilphcc.com)) with your ad.

## ILLINOIS PHCC EXPOS RETURN!!

Mark your calendar now for the return of the Illinois PHCC Expo South at the Gateway Center in **Collinsville on October 29, 2021** and the Illinois PHCC Expo at **Drury Lane Conference Center in Oakbrook Terrace on March 18, 2022**. Both tradeshow events will include continuing education classes for licensed plumbers and Certified Plumbing Inspectors. Watch [www.ilphcc.com](http://www.ilphcc.com), the Illinois Master Plumber magazine, and the Illinois PHCC Facebook page for details as they become available.

### H.R. STEWART, INC. Heavy Sewer Cleaning & Televising

# PHCC 2021 VIRTUAL LEGISLATIVE CONFERENCE GIVES P-H-C PROFESSIONALS THE POWER TO SHAPE INFRASTRUCTURE POLICY

by Mark Valentini, Director of Legislative Affairs

---

For the first time ever, the Plumbing-Heating-Cooling Contractors—National Association (PHCC) hosted its annual legislative conference in a virtual format, providing PHCC members, chapter executives and industry partners the opportunity to talk directly with legislators despite access restrictions on Capitol Hill.

At the June 15-16 PHCC 2021 VIRTUAL Legislative Conference, attendees let their voice be heard on a range of topics impacting the future of the plumbing and HVAC industry. Most significantly, attendees educated lawmakers on the important role the p-h-c industry can play in rebuilding America's infrastructure and the economy.

"We were so pleased to provide this alternative format this year so that our members could again have direct access to policymakers," said PHCC President Hunter Botto. "With the cancelation of the 2020 conference because of the pandemic, our members were very eager this year to connect with their representatives again, and presented a very focused, positive and energetic message on behalf of PHCC and the industry. We look forward to doing it in-person next year in Washington, D.C."

The 2021 conference agenda included insider political analysis from keynote speakers and guests, including Reid Wilson of The Hill newspaper, with his keynote speech titled "Politics, Politics, Politics!" as well as comments from Rep. Virginia Foxx (R-NC).

Attendees also received critical targeted issues

briefing and advocacy tips from PHCC's legislative and regulatory staff, and a closing reception provided a chance for attendees to share their experiences.

The state delegations from across the U.S. advocated on important topics such as skills training and apprenticeship, the industry's role in rebuilding and reinforcing America's water and buildings infrastructure and the importance of maintaining a balanced and cost-effective energy portfolio to include fossil fuels, including natural gas and propane, to meet America's energy needs.

The virtual platform made it convenient for PHCC contractors to connect directly with their Congressional representatives to discuss important provisions of President Biden's infrastructure bill, and how allocated funds for projects, specific to the plumbing and HVAC industry, impact them. The PHCC groups encouraged lawmakers to support robust funding for water systems and building resiliency, and to remember that "The infrastructure we don't see is equally as important as what we do see."

The 2022 Legislative Conference is scheduled to be in-person for May 24-25, 2022, Washington, D.C. In addition, PHCC Director of Legislative Affairs Mark Valentini and Vice President of Regulatory Affairs Chuck White will present a political update at PHCC CONNECT 2021.

PHCC Corporate Partner Federated Insurance was a proud sponsor of this event.

# PHCC MEMBERSHIP **PAYS FOR ITSELF**

## Free Resources for Members

**Plumbing and HVACR Pre-Apprentice Course:** Online program gives prospective apprentices an opportunity to learn about the p-h-c trade before beginning a longer-term apprentice program.

**TechLine:** Expert advice on code questions and clarifications.

**Safety Program Builder:** Available from Federated Insurance, allows contractors to customize efforts that illustrate your commitment to ensuring safety in your workplace.

**Overhead and Profit Calculator:** This simple software tool helps business owners calculate their real costs and find the right selling price for their company.

**Labor Unit Database:** Simplify your estimating process, prepare accurate bids, and increase efficiency and profitability using this tool, available through the PHCC Online Store.

**PHCC Water Supply Calculator App:** Offers a single resource to determine water supply fixture units and minimum fixture branch sizes for common plumbing fixtures, typical pressure drops in water meters, equivalent lengths of fittings, and more.

**Multi-Employer 401(k) Retirement Program:** PHCC members can choose among several 401(k) retirement program options offered by Lincoln Financial Group through Certified Financial Services.

**Publications:** Members receive Solutions Magazine, PHCC Online and the PHCC Advocate newsletter, chock full of valuable news and information to help run your business and stay current on industry legislation and regulations.

## Member Savings and Discounts

- **Exxon/Mobil: 5 cent savings per gallon** of gas using Fleet National Card
- **Aramark: 25% discount** on uniforms
- **Market Hardware: Free consultation and discount** on web sites and marketing services
- **Time Communications: Discounted monthly rate** on call management systems
- **ConsensusDocs: 20% discount** on subscriptions to standard construction contracts
- **Labor Unit Database: 30-day free trial** and **\$100 discount** off subscription renewal
- **Monthly Webinars: \$360** (\$30/ea. for non-members)
- **CONNECT Conference & Trade Show: \$100 discount** off each member registration
- **Who's Who Directory: \$75**
- **Solutions Magazine Subscription: \$30**
- **Plumbing and HVACR Apprentice eLearning Programs: Discounts vary by chapter**
- **Plumbing and HVACR Textbooks: Up to 25% discount** through your chapter
- **Code Books: Discounts vary by chapter**

## Display Pride and Support Your Association

Purchase reflective decals and embroidered uniform patches with the PHCC logo from the PHCC Online Store. Members may put the PHCC logo on trucks, business cards, letterhead and marketing materials. Available "Hire a Professional" graphics can be printed on T-shirts and other items to showcase your commitment to using qualified workers.

Additional benefits and savings available through PHCC's state and local chapters.

**PLUMBING-HEATING-COOLING  
CONTRACTORS ASSOCIATION\***  
*Best People. Best Practices:*

# BASEMENT WATER CONTROL SOLUTIONS FOR EVERY NEED.

With our complete collection of water control solutions, you'll have a wide array of services to offer. Together with Ion Technologies and Emecole Metro, our premium collection offers contractors a wide array of basement waterproofing and flood prevention solutions for their end users.

## 35ACi+ Connect Battery Backup System

- Fully automatic auxiliary power source
- Backup system runs on AC or DC power
- Runs the same 1/3 HP pump (BA33j) with power on or off
- Ion+® digital level sensors have no moving parts

## Ion Fresh & Clean

- Improves overall indoor air quality
- Rids your home of excess moisture
- Reduces molds, toxins & allergens
- No additional ductwork needed
- Energy efficient design

## 10 ft. Foundation Crack Repair Kit

- Repairs approximately 10 feet of cracks in poured foundations
- Cost effective and time efficient
- Choice of Polyurethane or Epoxy Injection Material
- Suitable for residential, municipal, commercial and industrial applications

## Is Your Facility Protected From Potential Theft?

Take a close look at your business. Does it seem like a place that may attract thieves? Predicting when a theft will occur is difficult – if not impossible. The thief could be someone with high intent who does a lot of planning, or potentially an amateur acting on impulse. Either way, consider the habits and situations that might make you an easier target, and what steps you may need to take to enhance the security of your business.

There are five key physical protection strategies that can assist you in protecting your business from theft. They are: deter, detect, delay, deny, and defeat. Combined, these strategies could go a long way in helping to prevent theft at your facility:

**Deter** – Help prevent crime through environmental design such as maintaining defined boundaries around the workplace. This also includes proper signage, use of alarms and surveillance systems, strategic lighting, and designating spaces where vendors or visitors are allowed – and not allowed. The use of access controls such as ID cards and badges can help limit entrance to only those who should be present.

**Detect** – Monitoring through the use of alarms, both inside and outside the building, and especially at all entrance and exit points. Motion sensors, thermal imaging, intelligent video and surveillance, and closed-circuit television can all help provide a quick response to any unwanted visitors.

**Delay** – Utilizing perimeter barriers such as fences, gates, keypads with secure PIN numbers, control locks, reinforced windows, and secured roof openings can help contribute to a safer workplace. Actively controlling vehicle access, using electronic access for certain areas, providing specific areas for walkways that can be monitored, and using construction techniques may help add another level of security.

**Deny** – Immobilizing large, valuable objects with locks and chains or cables can help frustrate a would-be thief, as can storing valuables in a secure place. Lock all doors and fences securely, and remind your employees to do the same. Consider conducting background checks or other employment screening where allowed by applicable law on anyone who may be in a security-sensitive role to help ensure they are trustworthy.

**Defeat** - Collaborating with other nearby businesses or law enforcement to come up with security tactics can benefit you and your neighbors. Incorporating a daily walkthrough of your building is also recommended to help verify that everything is secure and in order.

Don't make it easy for a thief to gain access to your business. Keep these strategies in mind when looking for vulnerable points around your facility, and take action now before a theft occurs.
